**Application for Certificate of Construction**

Blue Moon Energy LLC (“the Applicant” or “Blue Moon Solar”) a wholly-owned subsidiary of Recurrent Energy, LLC, files this application seeking from the Kentucky State Board on Electric Generation and Transmission Siting (“the Board”) a certificate of construction for an approximately 70-megawatt (MW) merchant electric solar generating facility and nonregulated electric transmission line pursuant to KRS 287.704 and 278.714 (the “Application”). The generating facility and unregulated transmission line for which the certificates are sought will be located in Harrison County, Kentucky.

In support of the Application, the Applicant submits herewith Exhibits A-G. To assist the Board and interested persons in locating information required by various statues and regulations, the Applicant also submits herewith the Table of Contents required by 807 KAR 5:110 Section 3(2)(b) and attaches hereto an Indexes of Regulation Requirements, listing the requirements for a generation application and unregulated transmission line application and the principal place(s) each requirement is addressed in these Application materials. The facts on which the Application is based are contained in the concurrently filed exhibits, reports, and the statements further made by the Applicant as follows:
