Re: Siting Board Case No. 2021-00414

Dear Governor Beshear:

As the Chairman of the Kentucky Public Service Commission (PSC), I also serve as the Chairman of the Kentucky State Board on Electric Generation and Transmission Siting (Siting Board). Therefore, it is my duty to inform you that, on February 8, 2022, the Siting Board received an application from Blue Moon Energy, LLC requesting a certificate to construct an approximately 100 megawatt merchant electric solar generation facility in Harrison County, Kentucky.

The five permanent members of the Siting Board are myself and the other members of the PSC; the Secretary of the Energy and Environment (or her designee);¹ and the Secretary of the Economic Development Cabinet (or his designee).²

In accordance with KRS 278.702(1)(d)(1)(b), I am requesting that you please make the requisite appointment of a Harrison County, Kentucky, resident as an ad hoc public member to the Siting Board for this matter. A copy of the application is attached.

Any questions regarding this case may be directed either to me or Linda Gosnell, Siting Board Attorney, at (502) 782-2583. Thank you for your time and attention to this matter.

Sincerely,

Kent A. Chandler
Chairman
