

To whom it may concern: 06/02/22

I am writing to you in regards to the proposed rate increase. I am not in favor of the increase. I am on social security disability and therefore am on a fixed income. Plus, I recently lost my wife to complications from COVID. She passed away Feb. 28th of this year. So that brings me down to one income. I feel that this is asking too much, so I am opposed to the rate increase.

Respectively,

Steven B. Martin
