To whom it concerns I am
writing in regards to the water
rate hike that the water service
of Kentucky is asking for. It
hasn't been that long since
we had a rate hike, the people
in Kentucky is suffering
enough as it is, the last 2 years
has taken it's toll on everyone.
I am a cancer patient and only
get 55%, it is hard to pay my
bills and this \$10.00 rate hike
is going to make it harder. I
am begging you to say no to
this rate hike. we the people of
Kentucky can't stand much more.

Thank you.
