

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS ADJUSTMENT) CASE NO.
FILING OF ATMOS ENERGY CORPORATION) 2022-00188

ORDER

On July 28, 2022, the Commission issued an Order approving the Gas Cost Recovery (GCR) rates as proposed by Atmos Energy Corporation (Atmos) for service rendered on and after August 1, 2022. The Order included a typographical error for the previous Expected Gas Cost (EGC) rate that was approved by the Commission in Case No. 2022-00086.¹ The Order stated that the previous EGC rate was \$6.7096 per Mcf while the actual Commission approved EGC rate was \$6.7086 per Mcf. The error did not have an impact on the GCR rate approved by the Commission in the July 28, 2022 Order.

Finding that the July 28, 2022 Order shall be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. Atmos's amended Expected Gas Cost (EGC) for firm sales customers is \$8.6217 per Mcf, which is an increase of \$1.9131 per Mcf from the previous EGC of \$6.7096 per Mcf is stricken and is replaced with the following language:

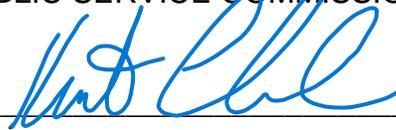

Atmos's amended Expected Gas Cost (EGC) for firm sales customers is \$8.6217 per Mcf, which is an increase of \$1.9131 per Mcf from the previous EGC of \$6.7086 per Mcf.

¹ Case No. 2022-00086, *Electronic Purchased Gas Adjustment Filing of Atmos Energy Corporation* (Ky. PSC Apr. 29, 2022).

2. All other provisions of the Commission's July 28, 2022 Order that are not in conflict with the terms of this Order shall remain in effect.
