MANAGEMENT PROGRAMS)	

COMMISSION STAFF'S POST-HEARING REQUEST FOR INFORMATION
TO DUKE ENERGY KENTUCKY, INC.

Duke Energy Kentucky, Inc. (Duke Kentucky), pursuant to 807 KAR 5:001E, shall file with the Commission an electronic version of the following information. The information requested is due no later than April 12, 2023. The Commission directs Duke Kentucky to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if Duke Kentucky obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Duke Kentucky fails or refuses to furnish all or part of the requested information, Duke Kentucky shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Duke Kentucky shall, in accordance with 807 KAR 5:001E, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Duke Kentucky's AMI CPCN 2020 Annual Compliance Report, filed in the post-case correspondence file in Case No. 2016-00152² on July 23, 2020.

² Case No. 2016-00152, *In the Matter of the Application of Duke Energy Kentucky, Inc. for (1) Certificate of Public Convenience and Necessity Authorizing the Construction of an Advanced Metering Infrastructure; (2) Request for Accounting Treatment; and (3) All Other Necessary Waivers, Approvals, and Relief* (Ky. PSC May 25, 2017).

a. Confirm the date installation of Duke Kentucky's Advanced Metering Infrastructure (AMI) began.

b. Confirm the date installation of Duke Kentucky's AMI was completed.

c. Provide the remaining depreciable life of the first group of meters installed.

d. Provide the remaining depreciable life of the last group of meters installed.

2. Refer to the Application, paragraph 13.

a. Provide the EM&V report of the Summer 2022 research extension. Consider this an ongoing request during the pendency of this proceeding.

b. Provide any memo or summary of the results of the Summer 2022 research extension provided to Duke Kentucky by the EM&V vendor prior to presentation of the final EM&V report for the Summer 2022 research extension.

3. Provide the actual and updated avoided energy, capacity, and T&D values based on the characteristics attributable to the generation unit(s) that are planned to replace Eastbend.

4. Explain the methodology for the updated avoided energy, capacity, and T&D values as well as the sources used.
