PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Lake Village Water shall make timely amendment to any prior response if Lake Village Water obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Lake Village Water fails or refuses to furnish all or part of the requested information, Lake Village Water shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Lake Village Water shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the October 4, 2023 Request to Use Water Loss Surcharge Funds (October 4, 2023 Request). Provide a copy of the bid received from AY Landscaping and Construction, Inc. and any other documentation of the full cost for the proposed service line replacement project.

2. Refer to the October 4, 2023 Request and Lake Village Water's proposed Infrastructure Improvement Plan filed January 30, 2023. Provide further details regarding

Lake Village Water's proposed replacement of the service lines, including whether Lake Village Water is proposing only to replace service lines from its main water line to the customers' meters.
