ORDER

On December 15, 2022,¹ Duke Energy Kentucky, Inc. (Duke Kentucky) filed its application for, among other things, an adjustment of its electric rates based on a forecasted test period. The application proposed that new rates become effective on January 3, 2023.

Pursuant to KRS 278.180(1), changes to any rate by any utility is prohibited except upon 30 days' notice to the Commission. Therefore, since the application was accepted for filing as of December 15, 2022, the earliest date that Duke Kentucky's proposed rates can be effective is January 14, 2023. Having reviewed Duke Kentucky's application, the Commission finds that an investigation is necessary to determine the reasonableness of the proposed rates, and that an investigation cannot be completed by January 14, 2023. Therefore, pursuant to KRS 278.190(2), the

¹ Duke Kentucky tendered its application on December 1, 2022. By letter dated December 6, 2022, the Commission rejected the application for filing deficiencies. The deficiencies were subsequently cured, and the application is deemed filed as on December 15, 2022.

Commission will suspend the effective date of the proposed rates for six months, up to and including July 14, 2023.

The Commission further finds that a procedural schedule is necessary to review the reasonableness of the proposed rates. Therefore, the Commission establishes the procedural schedule attached as an Appendix to this Order and incorporated herein.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to data requests are expected to participate in person at a hearing.

IT IS THEREFORE ORDERED that:

1. Duke Kentucky's proposed rates are suspended for six months, up to and including July 14, 2023.
2. The procedural schedule set forth in the Appendix to this Order shall be followed.
3. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the

Commission's July 22, 2021 Order in Case No. 2020-00085² regarding filings with the Commission.

4. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest. In addition, any motion to intervene filed after the date established in the procedural schedule shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

5. Duke Kentucky shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be

Those wishing to make oral public comments may do so by following the instructions listing on the PSC website, psc.ky.gov." At the time publication is requested, Duke Kentucky shall forward a duplicate of the notice and request to the Commission.

6. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

7. Any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing shall be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing.

8. Witnesses who sponsor schedules, testimony, or responses to data requests shall participate in person at any hearing scheduled in this matter.

9. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

10. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

11. The Commission does not look favorably upon motions to excuse witnesses from testifying at Commission hearings. Accordingly, motions to excuse a witness from

testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing and will be granted only upon a showing of good cause.

12. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
