**Subject:** 2022-00050 - Jessamine-South Elkhorn Water District

Overall the proposed water rate adjustment seem very very high and there doesn't seem to be a clear reason for the adjustment especially since it is just for a small part of the overall district.. Since living at this address there has been a rate adjustment annually and overall this will increase the water bill for this district substantially. I don't understand why there isn't an overall increase in the entire county.

Respectfully,  
Jessica Chaney
