Subject: RE: Intervention Request, Case No. 2022-00066, 345 KU Electric Transmission Line
Importance: High

Hello,

I am sending this on behalf of Delberta Hagan.

We are contacting you in regards to the proposed 345 KY Electric Transmission Line to be placed on our property. We are requesting the transmission line be moved to another piece of surrounding land that has no commercial zoning. Our property is zoned C-2 Commercial and we plan to develop our land into commercial lots and the transmission line would decrease the value of our property. With this proposed transmission line would mean yet another negative impact on our property. The first negative impact was the sale of 64 acres for a Mega-site and the second impact was the expansion SR 222 from Glendale to Interstate 65. Please consider this as means to intervene on this case.

Regards,

Delberta Hagan
