To Whom it May Concern:

I received a notice from Water Service Corporation of Kentucky that they would be filing a rate hike request. The company is requesting a hike of 32.12%. This hike will be a terrific burden for most of the customers here in Kentucky. Please deny this hike in water rates. Our costs are skyrocketing for all goods and services and incomes are remaining the same. I am a retiree who attempts to be as frugal as possible with my spending and am unable to increase my income. Please do not permit the Water Service Corporation of Kentucky to raise their rates.

Thank you,

Greta Adams
