Dear Linda Budwell

Re: Why are they not showing my balance  
Just one last thing. I hope

my latest bill only shows in the  
owed area, what I owed, what I paid  
and what I owe next billing cycle.

I use to have my balances what  
owed minus payment each month

as you can see on Page two  
of the paper work I submitted

you. page 8 page 11. I'm

just trying to clear up this mess.

Due to Covid - Cancer 2021 Chemo 2021-22

I have not been able to keep up

with this. I had Covid also 2022

Thank Betty Eichelberger
