TO: Case File No. 2022-00305
FROM: Whitney Saffari, Staff Attorney

RE: Informal Conference of September 5, 2024

Pursuant to a Staff Notice issued on August 22, 2024, an informal conference (IC) was conducted on September 5, 2024. Attached is a copy of the attendance roster.

The purpose of the IC was to discuss the Qualified Infrastructure Improvement Plan (QIIP) required from Western Fleming County Water District (Western Fleming District). Western Fleming District has been timely filing its monthly surcharge activity and water loss reports but has not filed a QIIP.

Western Fleming District was ordered to file its QIIP 120-days after the order entered on September 19, 2022. A previous informal conference was held on March 30, 2023, to discuss the requirements. Staff informed Western Fleming District of the requirements again and recommended Western Fleming District file a request for an extension to file its QIIP and include an expected filing date.

There being no further discussion, the IC was then adjourned.
