RE: Duke Energy Kentucky, Inc.
Case No. 2022-00372 Filing Deficiencies

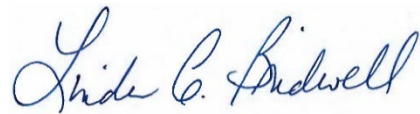

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

1. Section 16 (1) (b) (3): New or revised tariff sheets, if applicable, in form complying with 807 KAR 5:011 with an effective date not less than thirty (30) days from the date the application is filed; Schedule L-1, pages 60-63 of 189, incorrectly state: "Effective: August 15, 2021.". The proposed tariff sheets include the proposed change in rates and tariff language changes but do not have a proper effective date that is 30 days more than the date in which the application has been filed.
2. Section 17 (4) (b): The present and proposed rates for each customer class to which the proposed rates will apply; (1) Rate TT: Missing late payment charge from 5% to 2.3%; (2) Rate OL-E: Missing late payment charge from 5% to 2.3%; (3) Rate LED: "220W Standard LED-BLACK" has Lumens different from the tariff; (4) Rate LED: "50W Traditional LED-BLACK" has Lumens different from the tariff; (5) Rate LED: Missing rate "50W Sanibel LED" @ 6,000 Lumens; (6) Rate SC: The Proposed Applicability is missing language from the proposed tariff sheet in Schedule L-1, page 85 of 189 and the redlined version in Schedule L-2.2 page 73 of 152. "This rate schedule terminates December 31, 2026."; (6) Customer Notice - Page 1 of 6, Section referring to page 41 of Proposed Tariff (Time of Day Rates), Energy Charge per kWh; (7) Winter on Energy Charge is missing altogether from Notice. It's present in the same section of the Redlined copy of the Tariff in Section L-2.2 and it's marked as being increased; (8) Customer Notice – Page 2 of 6, Section referring to page 64 of Proposed Tariff (LED Outdoor Rates), First Table; (9) The Proposed Changes section of the table is instead labeled Current Charges.

You are requested to submit the information necessary to cure the deficiencies within 10 days of the date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,
