PUBLIC SERVICE  
COMMISSION

Dear Public Service Commission,

My name is Lynley Thacker and my address is  
416 Hunt St S. Harrodsburg. I oppose the filing of  
Kentucky Utilities Company and Louisville Gas and Electric Company to  
construct a 120 MWac solar photovoltaic ("PV") electric generating facility on 900  
acres located in Mercer County included in PSC filing 2022-00402.

As a Mercer County citizen, I am concerned for the future of our community and the need for responsible economic growth in our area. This particular tract has been identified as a top site within the entire USA for industrial development and could potentially create thousands of jobs for our residents and those in surrounding counties. This economic impact would be monumental for current and future generations of our both our local community and entire state.

I feel our local elected officials and governing boards should retain control over decision making with regards to land use of this property, and other tracts of land throughout our county.

In making your decision, please consider the consequences and irreversible impact on the future of the Mercer County community, and the opportunity cost of lost economic growth.

Sincerely,

Signed By: Lynley Thacker
