

3-3-23

To Whom It May Concern:

I would like to request an intervention of Bluegrass Water increasing my rate. I believe it is already unfair that I have to pay \$85.97 monthly whereas I used to pay 28.90 monthly. This is already triple of what I used to pay and deem it unfair for my small Household. Please do not allow them to increase our rate.

Sincerely,

Delia Dominguez

5945 Majestic Oak Dr., Paducah, KY 42003
