TO WHOM IT MAY CONCERN:

We recently purchased our home in subdivision serviced by BLUEGRASS WATER UTILITY COMPANY.

We were astounded to learn that our sewage bill was \$85.97 per month. We spoke to our neighbors and found that they were unhappy also.

A few days ago we received the letter explaining that there will be a 15.6 percent increase per month in our sewage bill to \$99.37. Frankly we are appalled. We sold our home in town to downsize and reduce our monthly bills. We are both in our mid 70's and live on limited income. You can be certain our income has not increased by 15.6 percent.

We respectfully ask that a reconsideration of such a large increase be reviewed.
