To Whom It May Concern:

In regards to the proposed rate adjustment that has been presented by the Bluegrass Water Utility Operating Company, LLC for the Longview Subdivision in Scott County KY:

I would like to register my protest. When this sewer system was sold to Bluegrass Water it was a shock to the subdivision. Suddenly jumping to an almost 2/3rds increase put a strain on all homeowners; some of us don't enjoy a surplus of funds. Now this proposal of another 15.6% is unconscionable. My monthly bill will jump from \$85.97 to \$99.37.

I am a senior citizen living largely on social security. With other utility bills rising along with the cost of food, and all other necessities, a tremendous strain is put upon my and all our budgets.

It is my hope that the PSC will carefully consider not allowing this increase.

Respectfully,

Barbara A. Strippelhoff
