RE: PROPOSED ELECTRIC PRICE HIKE

TO WHOM IT MAY CONCERN:

DO THE DIRECTORS OF THE POWER COMPANY REALLY EXPECT US TO TAKE ANOTHER RAISE WITHOUT LETTING OUT A SQUALL! DID THEY GET RAISES THIS YEAR ON THEIR CHECK? IF THEY ARE SO CONCERNED AND DEDICATED LET THEM GIVE UP THEIR EXPENSE ACCOUNTS AND TRIPS AND BUY A USED CAR AND SHOP AT WAL MART LIKE THE REST OF US. AND TAKE A PAY CUT, SOME COULD GIVE UP \$1,000,000 OR MORE ANNUALLY.

I WILL GIVE THE COMPANY CREDIT FOR THEIR SERVICE WHICH IS PRETTY GOOD, ESPECIALLY DURING ADVERSE WEATHER CONDITIONS. THE LINEMEN ARE THE ONES WHO EARN THEIR DAILY BREAD; I AM VERY DOUBFUL ABOUT THE UPPER ESCHOLON.

I VOTE NO ON ANY INCREASE .

MY RESIDENCE IS IN BOYD COUNTY
