Utility Name: Aep

State the nature of your concern: Something needs to be done about AEP. They are constantly increasing rates and almost every American is struggling to stay afloat from mid class to those in poverty. I have lived in various parts of the state of Kentucky. LG&E

was never this crazy. Now you're me Kentucky Power is planning a rate increase even though that had record surplus or profit from previous years. Enough is enough. They have took advantage of 1000s of people every month. I don't see how this is not regulated. Who ever reads this if anyone, understand with inflation everyone is struggling to make ends meet or survive. Thanks, concerned resident
