To whom it may concern,

I, Logan Kirkman of 8233 Goode Rd Hopkinsville, KY 42240, am writing this letter to formally express my disapproval of the proposed solar project from Dogwood Corners, LLC, Case Number 2023-00246. Oriden, the parent company of Dogwood Corners, LLC, has done nothing but lie to my community and mislead the Christian County Fiscal Court. Now they are trying to undermine the authority of the Christian County Fiscal Court by seeking to have our solar ordinance struck down in the Circuit Court and filing with this board anyway. It is because of these things that I am requesting a local public hearing with the Sighting Board regarding the solar project proposed by Dogwood Corners, LLC to be held in Christian County, KY in accordance with 807 KAR 5:110 Section 9 Subsection 3C.

Thank you,

Logan Kirkman
