RE: Case No. 2023-00246

August 28, 2023

I am writing in reference to my opposition of the Dogwood Corners LLC development in Christian County KY. I am requesting that a hearing be held locally in our county. This Development Company has deceived the residents of our community and strives to destroy our agriculture. On a personal note, this company desires to surround my property with solar panels on 3 of the 4 sides of our house. The distance to my property line is 574 feet. It is because of these things that I am requesting that the hearing be held here in Christian County Kentucky. I greatly appreciate your consideration.

Sincerely,

A handwritten signature in black ink that reads "Heather Cook". The signature is written in a cursive style with a large initial 'H'.
