Linda Bridwell Ex. Dir.
Public Service Commission of Ky.
P.O. BOX 615
FRANKFORT, Ky. 40602-0615

Dear Ms. Bridwell:

I am writing this letter in opposition to Dogwood Coopers Solar Project for Christian Co, Ky.

I own land on Dogwood Kelly Rd. I am not opposed to solar energy AT ALL "in the proper location". This area of productive farmland with Native American campsites is not the proper area for an installation as this, plus the lowering of our land values. I urge you to reject this project.

Sincerely, Gary W. Dunning
