Subject: Public Comment in Case #2023-00413

Dear PSC Commissioners,

Big Rivers IRP Public Comment #2023-00310

Please do not approve Big Rivers' current Integrated Resource Plan.

Big Rivers wants to:

Build more energy plants than they will need (likely to sell) Continue to rely on coal at the Wilson plant until 2045 Build a new gas plant in 2029 Dismiss energy efficiency for customers Dismiss wind and advanced battery storage technologies Invest in Carbon Capture and Sequestration (CCS) which is a false solution that extends our reliance on fossil fuels Spend \$3B dollars on false solutions and investment in overgeneration. What could the WKY community do with that money?

Sincerely,
Cassandra Lyons
