

Based upon a review of the complaint, the Commission is unable to determine at this time whether the complaint establishes a prima facie case, but the allegations support our further investigation into the merits of the complaint. The Commission finds that Mr. Greenberg should file, within 15 days of the date of service of this Order, certain documents to provide support for making a prima facie case.

IT IS THEREFORE ORDERED that:

1. Within 15 days of the date of this Order, Mr. Greenberg shall file with the Commission:

- a. The reason given by LG&E for disconnecting his electric service;
- b. Copies of any bills or written correspondence with LG&E regarding disconnecting his electric service on February 17, 2023;
- c. A summary of any in person or telephone conversations with LG&E regarding disconnecting his electric service.

2. Pursuant to the Commission's Order in Case No. 2020-00085,² any documents filed pursuant to ordering paragraph 1 shall be filed by electronic mail at PSCED@ky.gov, and each message should include the case number in the subject line of the message and a read receipt to ensure the Commission received the message and documents.

3. Mr. Greenberg shall respond to any additional requests for information propounded by Commission Staff, as provided in those requests.

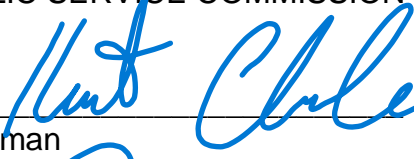

² Case No.2020-00085, *Electronic Emergency Docket Related To The Novel Coronavirus Covid-19* (Ky.
