

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF NORTH)	CASE NO.
MANCHESTER WATER ASSOCIATION, INC. FOR)	2023-00183
AN ALTERNATIVE RATE ADJUSTMENT)	

ORDER

On July 6, 2023, North Manchester Water Association, Inc. (North Manchester Water), filed an application with the Commission, pursuant to 807 KAR 5:076, requesting an adjustment to its water rates.¹ The Commission established an initial procedural schedule that was subsequently amended after North Manchester Water requested an extension of time to respond to the Commission Staff's First Request for Information (Staff's First Request).²

Commission Staff scheduled an Informal Conference for October 3, 2023.³ Based upon the information that has been filed into the record of this case so far, the Commission now finds that a Field Review will be necessary. Therefore, the Commission, on its own motion, finds it is necessary to amend the procedural schedule.

¹ North Manchester Water tendered its application on June 1, 2023. By letter dated June 12, 2023, the Commission rejected the application for filing deficiencies. North Manchester Water tendered its application a second time on June 22, 2023. By letter dated June 26, 2024, the Commission rejected the application for filing deficiencies a second time. The deficiencies were subsequently cured, and the application is deemed filed on July 6, 2023.

² See Order (Ky. PSC July 12, 2023), North Manchester Water's Request for Extension of Time (filed Aug. 30, 2023) and Order (Ky. PSC Sept 12, 2023).

³ Commission Staff's Notice of Informal Conference (Ky. PSC Sept. 25, 2023).

IT IS THEREFORE ORDERED that:

1. The procedural scheduled established on July 31, 2023, and amended on September 12, 2023, is amended.
2. A Field Review shall be conducted on November 8, 2023.
3. The amended procedural schedule set forth in the Appendix of this Order shall be followed.
4. All provisions of the Commission's July 31, 2023 Order that are not in conflict with this Order shall remain in effect.
