In the Matter of:

ELECTRONIC TARIFF FILING OF LINDSEY)	
ENTERPRISES, LLC FOR INITIAL RULES,)	CASE NO.
REGULATIONS, AND RATES FOR FURNISHING)	2023-00224
GAS SERVICE PURSUANT TO KRS 278.485)	

ORDER

On December 18, 2025, Lindsey Enterprises, LLC (Lindsey Enterprises) filed a motion¹ that requested the Commission confirm its tariff rate set out in the final Order entered in this matter on July 29, 2024. As part of this final Order, the Commission instructed Lindsey Enterprises to file revised proposed tariff sheets within 18 months of the date of service of the Order, including information required to complete forms that were attached as an Appendix to the final Order and information relating to nonrecurring charges.²

In support of its motion, Lindsey Enterprises stated that after consultation with Commission Staff, Lindsey Enterprises has no desire to change, modify, or increase any of its tariff rates from those that were previously approved in the Commission's final Order entered on July 29, 2024, and therefore, Lindsey Enterprises will not be filing any additional documents pursuant to the final Order.³ Therefore, in lieu of filing information for an adjustment to its rates within 18 months from the date of service of the final Order,

¹ Lindsey Enterprises' Motion to Confirm Tariff Rates (Motion) (filed Dec. 18, 2025).

² Order (Ky. PSC July 29, 2024) at 14.

³ Motion at 1.

Lindsey Enterprises has filed this motion. Lindsey Enterprises further stated that it understands that if it desires to make any changes in its rates in the future that it will need approval from the Commission before implementing such rates.⁴

Based upon the motion and being otherwise sufficiently advised, the Commission finds that Lindsey Enterprises established good cause to grant its motion to confirm the tariff rates set out in the final Order entered on July 29, 2024, given the fact that Lindsey Enterprises does not desire to modify its previously approved tariff rates at this time. The Commission further finds that by filing this motion, Lindsey Enterprises has satisfied the Commission's directive to file revised tariff sheets and information within 18 months of the date of service of the final Order.

IT IS THEREFORE ORDERED that:

1. Lindsey Enterprises' motion to confirm its tariff rates as set out in the Commission's final Order entered on July 29, 2024, is granted.
2. Lindsey Enterprises is in compliance with the final Order entered on July 29, 2024, and is therefore relieved from further filing requirements as it relates to this case.
3. This case is closed and removed from the Commission's docket.
