ORDER

On July 24, 2023, John Riley Dowell tendered a complaint against Ohio County Water District (Ohio District) arising from alleged excessive water pressure, and thereafter, Mr. Dowell made a number of additional filings providing supplemental information. On August 11, 2026, the Commission found that Mr. Dowell's complaint and the supplements thereto failed to establish a *prima facie* case, because the relief requested was not within the Commission's jurisdiction to provide. The Commission gave Mr. Dowell 20 days from the date of service of the Order to submit an amended complaint pursuant to 807 KAR 5:001, Section 20(4)(a)(1), but no supplemental complaint has been filed. Thus, the Commission finds that this case should be dismissed.

IT IS THEREFORE ORDERED that:

1. This case be and is hereby dismissed without prejudice.

2. A copy of this Order shall be served by U.S. Postal Service, Certified Mail with return receipt requested, and through First-Class Mail on John Riley Dowell at 856 Buford Rd., Utica, KY 42376.

3. This case is closed and removed from the Commission's docket.
