PSC to whom it may concern,

The **Adair County Community Voice** April 13, 2023 edition contained an article titled "*PSC to fill seat on utility board includes what is supposed to be a link the application is to be submitted to:* PSCED-2ky.gov

The ? link ? did NOT work and I could not find a functional - functioning URL so I am submitting my application to be considered to fill the District Board opening.

The paper nor the PSC site does not provide a (any) requirements for the Board so if specific info is required, please respond at your earliest convenience

Thank you for your attention and assistance you can provide.

Remain well and be **SAFE!**

Mrs. Robin Adair
