Subject: Public Comment in Case #2023-00092

Dear Commissioners

Case #2023-00092 KY Power Integrated Resource Plan Case

We used to have a 1:1 net metering compensation rate for solar panels at a home. This encourages energy saving installation of more home panels, and it needs to be maintained. Please oppose plans to change this. It is important to have more homes using solar power to offset fossil fuel electric generation.

Sincerely,
Elizabeth Butler
