Frankfort, Kentucky 40602

Dear Commissioners:

I am writing in regards to Kentucky Power's proposed rate increase for residential properties. I am respectfully requesting public hearings in Floyd and Pike Counties.

This hike will affect all of the residents in my district, and they would like to be heard. It would be a hardship to ask them drive to Frankfort. It would be especially difficult for those on a fixed income; they would be affected most by the new rate. I believe hearings in the communities would be a fair and balanced approach as the Public Service Commission considers the proposal.

Thank you for your kind consideration of this request.

Sincerely,
