RE: Case No. 2023-00235

Madam/Sir,

Pursuant to the notification in the Harlan Daily Enterprise, published September 11, 2024 concerning the appointment of a water board commissioner to Black Mountain Utility District (Case No. 2023-00235), I would like to declare my interest in the position.

Currently, I am the Purchasing and Asset Manager of JRL Coal, Inc., and have been employed with them since October 2017. I have had the opportunity to serve on various boards and organizations throughout the years (see below), that have been instrumental in shaping my decision-making skills, my ability to work with others to achieve set forth goals and have given me a great understanding of the workings of local and state government agencies.
