Dear PSC Commissioners,

Public Comment: Duke Energy Case #2023-00413

I am writing to ask that you reject Duke Energy's request to change its billing from monthly netting to instantaneous and that you reject the new rate they want to pay rooftop solar energy providers. Their arguments are flawed; it is clearly just a money grab. I urge you to support Kentucky citizens who want to help our state and our environment by providing clean renewable energy.

Sincerely,  
Carolyn Cromer
