Name: Jill LeMaster
Address: 2623 highway 191
City: West Liberty
State: Ky
Zip Code: 41472
Phone number where you can be reached:
Home phone: [REDACTED]
Utility Name: Morgan County Water District
State the nature of your concern: I am very upset with the proposed 41% water increase! I am disabled, on a fixed income, I cannot afford to pay more for something that, honestly, needs a decrease. The water quality for most in Morgan County is sub par. Even filtered, it is not fit to drink! Even with new lines on 191, the company that put those in were a joke, some people now have brown water!!!! I have no idea where the money from the Governor and grants is going, but I'm pretty sure it did not go towards water quality!!!
Have you contacted the utility about the problem: Yes
