To whom it may concern:

We are writing to voice our opposition to the proposed construction of a cell tower on the ELVA site on Weatherwood Road in Marshall County, KY. Reference Docket No. 2024-00112.

We own a 10 acre parcel (no address) identified on your supplied map as parcel number 0S-00-00-004.02. As we understand it presently, we would no longer be able to build on our parcel if the tower is built where proposed.

Although our parcel shares a common border line with the proposed site, we have never received any correspondence regarding this matter. We found out about this proposal from the proposed site property owner. We have reached out to Pike Legal so that we might be included in any future correspondence regarding this site and the cell tower.

Thank you for considering our request.

Respectfully,

John & Natalie Brown  
The Brown Living Trust
