Dear Commissioners

Case #2024-00115 KY Power DSM Case

While the need for new power production is worthy, the greater need is for more efficient use of power and for Kentuckians to be able to be provided with energy efficiency programs like rebates, incentive programs, and other approaches to power savings.

Please ask KY Power to work on seeing what can be done to help struggling consumers and implement ways for us to cut usage first.

Sincerely,
Charles Chalk
