Dear Commissioners

Case #2024-00115 KY Power DSM Case
Eastern Ky is already pausing more for utilities than any other part of the state. People can barely afford food. Stop the greed and stop requesting rate increases.

Sincerely,
Thursa Sloan

Dear Commissioners

Case #2024-00115 KY Power DSM We don't want to spend \$300M of our money on a risky 40-year investment in a natural gas plant; its cheaper to invest in hard working Kentuckians and our communities through energy efficiency, smart appliances, and battery storage instead

Sincerely,
Brenda Stacy
