Re: Electronic Tariff Filing of Louisville Gas and Electric Company to Revise  
Its Local Delivery Service Tariff, Case No. 2024-00125

Dear Ms. Bridwell:

In response to the Kentucky Public Service Commission's April 30, 2024 order in the above captioned proceeding, and the procedural schedule attached thereto, please be advised that Coalition for Renewable Natural Gas ("RNG Coalition") will not be filing a motion to intervene.

RNG Coalition appreciates the Commission referencing its comments in the April 30 Order. So that the record is clear, RNG Coalition wishes to clarify one aspect of its comments, *i.e.*, LG&E's proposed heat rate. The comments stated that LG&E had proposed a minimum heat rate of 967 BTU per scf. That was in error. LG&E's current minimum heat rate is 967 Btu per scf and LG&E proposed to
