Comments: My name is John Hodges, and I am the director of the Paducah McCracken County Joint Sewer Agency. I have information related to sewer availability for PSC Case 2024-00170. Looking at some of the submittals, it appears Bluegrass Water is indicating that sewer is not available for this area (Arcadia Pines) when in fact it will be very shortly, paid for by a developer. This will bring sewer across Old US Hwy 60 from Marshall Ridge subdivision. Plans from the developer are in process of comment and review. I do not know who to contact at PSC related to this. I wondered if you could forward this to the appropriate person.
