I would like to comment on Rate Increase request by  
So. Water + Sewer Dist. 245 Ky, 680 McCoowell, Ky 41647

I Have No Problem With Small Rate Increase of  
Water Used.

I do Ask that you Decline a Water Loss Surcharge of 6.82 mthly  
Customers should NOT Have To Pay For Water Loss.  
They should Seek Grants For New Lines To Prevent this.  
Approx 2 yrs Ago they stated New meters would correct Problem.

I Also Ask that you Audit the 5.25 mthly Chg  
For Meter Replacement. We have been charged  
this Approx 2 years. I thought the Ky. Gov.  
GAVE them A Grant of Nearly 1 million Dollars To  
Obtain New meters.

Lots of Customers Are Elderly + on a Fixed. income.  
An Approx. increase of 15.00 mthly Water Bill  
May mean they Can't Pay For one of their meds.

Sincerely  
Carl Crisp SWS Customer
