Dear Kentucky Public Service Commission,

The New Frontiers Solar Park presents a great opportunity for Breckinridge County and I strongly support it. This project will bring much-needed funding to local public schools and will support essential services that benefit all residents. Beyond the economic boost, this project will help make the county more energy resilient and prepared for the future. Supporting clean energy projects like this helps drive local growth. Breckinridge County should take advantage of this chance to strengthen both its economy and its energy infrastructure.

I ask you to vote to approve this project.
