Subject: Comment on Case # 202400310

Dear Kentucky Public Service Commission,

EKPC member owners and residents in Liberty shouldn't be on the hook for their dangerous investment. We need warm homes, affordable energy, clean air, and a safe climate - NOT a dangerous generator in our community. Please reject EKPC's proposal to build the Liberty RICE unit, and encourage them to instead address energy needs through investing in renewable energy options like batteries.

Sincerely,
Mr. Stuart Clements
