Utility Name: South Kentucky RECC

State the nature of your concern: Concerned about proposed increase in residential electric rates .Proposed rate increase of 10.84% for residential with no increase to business, schools, etc. I am very much opposed .I am elderly woman living on fixed income with medical insurance and medications to pay , groceries, utilities. I simply cannot afford more increase. I beg of you to deny this proposal as it is written. Sincerely
Betty Clouse
