Utility Name: South Kentucky RECC

State the nature of your concern: Concerned about South Ky. RECC proposed plan to increase electric rates on residential, 10.84% with no increase on business, schools. I am single disabled woman with minimal income. I struggle with finances as is, choosing between food, medicine and utilities. this increase is going to be devastating to me as well as to most McCreary county residents I plead with you to please deny this increase as it is written. Sincerely, Lorraine Stephens
