ORDER

On August 6, 2024, the Commission issued an Order in this matter approving adjustments to water service rates for Hyden-Leslie County Water District (Hyden-Leslie District) in its application for a rate adjustment pursuant to 807 KAR 5:076. Ordering paragraph 3 reads, “The water service rates set forth in Appendix B to this Order are approved for service rendered by Hyden-Leslie District on or after August 20, 2024”. Contrarily, Appendix B states that Phase 1 rates are effective for one year “as of the date of this Order”, which is August 6, 2024.

Finding that the August 6, 2024 Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. Ordering paragraph 3 is stricken and is replaced with the following language:

“The water service rates set forth in Appendix B to this Order are approved for service rendered by Hyden-Leslie District on or after the date of this Order.”

2. All other provisions of the Commission’s August 6, 2024 Order that are not in conflict with the terms of this Order shall remain in effect.
