LOCAL GAS DELIVERY SERVICE TARIFF)	

COMMISSION STAFF'S POST-HEARING REQUEST FOR INFORMATION
TO LOUISVILLE GAS AND ELECTRIC COMPANY

Louisville Gas and Electric Company (LG&E), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due no later than November 27, 2024. The Commission directs LG&E to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

LG&E shall make timely amendment to any prior response if LG&E obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which LG&E fails or refuses to furnish all or part of the requested information, LG&E shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, LG&E shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide the lowest and highest Btu rating for gas entering LG&E's pipeline from the Texas Gas and Tennessee Gas systems for 2023 and 2024. If measured by online chromatographs or some other means of measurement, provide the readings reflecting the heating information.

2. Of the renewable natural gas (RNG) entities sending inquiries to LG&E about its Local Gas Delivery Service (LGDS), confirm if any of the entities currently

produce RNG. Provide scenario information, including customer class breakdown and number of customers by class impacted, on modeling for the various scenarios outlined in TCR-1.

3. Provide information on other modeling scenarios conducted by LG&E using the Synergy modeling techniques for the purpose of ascertaining information on potential RNG customer impact.

4. Confirm that the Btus correctly provided for in the proposed tariff eliminate the transport of RNG unless the producer used an additive to increase the heating value. If not confirmed, explain why not.
