<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

BREC shall make timely amendment to any prior response if BREC obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which BREC fails or refuses to furnish all or part of the requested information, BREC shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, BREC shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to BREC's confidential response to Commission Staff's Second Request for Information (Staff's Second Request), Item 5.

a. Beginning from the service date of December 1, 2022, through the current review period, recalculate and provide the monthly Form A and Form B FAC filings. Indicate any entries that are different from what BREC filed originally, including and accounting for the energy consumed by [REDACTED] Include in the

response the monthly charge that BREC would have charged [REDACTED] had it been included since December 1, 2022, along with the amount actually charged to the customers.

b. Explain whether the omission of [REDACTED] from the monthly FAC calculations affected the amounts charged to the retail customers of Meade County Rural Electric Cooperative Corporation, Kenergy Corporation and Jackson Purchase Energy Corporation.

c. BREC states in Item 5b that “[t]he FAC revenues associated with the energy consumed by that industrial customer were recovered from the Members paying the FAC during each month.” For each month from December 1, 2022, through the current review period, provide the amount of the difference between what all other customers were actually charged and what all other customers would have been charged if [REDACTED] had been charged its share of fuel consumption in the FAC calculations. Break out the amounts of the differences for all other customers by each of BREC’s distribution cooperatives.

d. Provide any orders, letters, or other guidance of the Commission that authorized BREC to exclude sales to [REDACTED] from the calculation of the FAC.
