ORDER

On May 15, 2024, Cannonsburg Water District (Cannonsburg District) filed an application with the Commission, pursuant to 807 KAR 5:076, requesting an adjustment to its water rates.¹ The Commission established a procedural schedule by Order dated June 12, 2024, that, among other things, requires Commission Staff to file with the Commission and serve upon all parties of record a written report (Commission’s Staff Report) containing its findings and recommendations regarding Cannonsburg District’s requested water rate adjustment, no later than September 26, 2024.

Due to additional data requests not contemplated in the original procedural schedule, the Commission, on its own motion, finds that the procedural schedule established on June 12, 2024, should be amended to afford Commission Staff additional time to prepare and file the Commission Staff’s Report. Specifically, the Commission

¹ Pursuant to 807 KAR 5:076, Section 7(2), if the Commission has not issued an order after six months from the date an alternative rate filing, the application is deemed filed and the utility may place the proposed rates into effect, subject to refund, pending the Commission’s order upon filing written notice with the Commission of its intent to do so. Otherwise, an applicant using the alternative rate filing procedure may not place the proposed rates into effect until the Commission has issued an order approving the rates. 807 KAR 5:076, Section 7(1).

finds that the date for filing the Commission Staff's Report should be extended to October 17, 2024.

After Commission Staff's Report is filed on or before the amended deadline of October 17, 2024, Cannonsburg District should have 14 days to file a written response to Commission Staff's Report.² If Cannonsburg District does not file written objections to a finding contained in Commission Staff's Report within 14 days after the date of the filing of Commission Staff's Report, it should be deemed a waiver of all objections to that finding.³

IT IS THEREFORE ORDERED that:

1. The procedural schedule established on June 12, 2024, is amended.
2. Commission Staff's Report shall be filed no later than October 17, 2024.
3. Cannonsburg District shall file its written response, if any, to Commission Staff's Report within 14 days of the filing of the Commission Staff's Report.
4. If no written objection to any finding in the Commission Staff's Report is filed within 14 days after the date of filing that report, it shall be deemed a waiver of all objections to that finding.
5. All provisions of the Commission's June 12, 2024 Order that are in conflict with the provisions of this Order are vacated, and all other provisions not in conflict with the provisions of this Order shall remain in effect.

² 807 KAR 5:076, Section 11(3)(a).
