

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC ANNUAL PIPELINE)	CASE NO.
REPLACEMENT PROGRAM FILING OF APACHE)	2024-00167
GAS TRANSMISSION COMPANY, INC.)	

COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO APACHE GAS TRANSMISSION COMPANY, INC.

Apache Gas Transmission Company, Inc. (Apache), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on October 11, 2024. The Commission directs Apache to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Apache shall make timely amendment to any prior response if Apache obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Apache fails or refuses to furnish all or part of the requested information, Apache shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Apache shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Apache's response to Commission Staff's First Request for Information (Staff's First Request), Item 4. Provide the current Maximum Allowed Operating Pressure (MAOP) for the high-density (black) 3-inch pipe and the proposed MAOP for the replacement high-density (black with a yellow stripe) 6-inch line.

2. Refer to Apache's response to Staff's First Request, Item 4(c). Provide a report outlining the total length of the high-density (black) 3-inch pipe that is exposed or inadequately buried.

3. Refer to Apache's response to Staff's First Request, Item 5, regarding the potential restriction of flow attributed to the current high-density (black) 3-inch pipe.

a. Provide specific incidents of flow restrictions and the cause(s) for each.

b. Provide detailed records of any service disruptions related to the high-density (black) 3-inch pipeline in the last five years.

4. Provide a detailed report of leak data from the last five years, including:

a. Records of any current leaks;

b. Detailed incident reports and repairs conducted; and

c. And leaks due to excavation damage.

5. Provide the most current annual estimates of gas loss due to leaks or inefficiencies on the Apache gas system.
