SYSTEM OR AN ORDER DECLARING THE)	
INSTALLATION IS AN EXTENSION IN THE)	
ORDINARY COURSE OF BUSINESS)	

ORDER

On November 15, 2024, Bluegrass Water Utility Operating Company, LLC (Bluegrass Water) filed a motion to amend the Commission’s September 19, 2024, procedural schedule. Bluegrass Water stated that:

[I]t recently received information indirectly from a third party agency that may require the Company to supplement its responses to the Commission’s data requests. The Company is evaluating the information and will need to speak directly with the third party agency, as well as the Company’s engineering consultants, to understand fully any potential ramifications to the proposed project. Given this recent development and potential scheduling difficulties posed by the upcoming holidays, an additional sixty (60) days would aid the Company in evaluating the information and determining whether supplemental responses are required.

In order to complete the record and since no intervenors will be prejudiced as none have been joined, the Commission finds good cause to amend the September 19, 2024 procedural schedule to allow Bluegrass Water until January 14, 2025, to request a public hearing or submit a request for the matter be decided based upon the written record. The

Commission notes that, pursuant to KRS 278.019, the Commission must render a decision in this case by March 8, 2025.

IT IS THEREFORE ORDERED that:

1. The procedural schedule established on September 19, 2024, is amended.
2. The last day for Bluegrass Water to request a public hearing or submit a request for the matter to be decided based upon the written record January 14, 2025.
3. All provisions of the Commission's August 5, 2024 Order that are in conflict with the provisions of this Order are vacated, and all other provisions not in conflict with the provisions of this Order shall remain in effect.
